A LETTER FROM YOUR MINISTRY TEAM

As the children are now back at school and the summer bargains are sold, shops are turning now to Halloween. I noticed a whole aisle the other day in a local shop dedicated to all things spooky! But shops are also recognising that not everyone wants a spooky decoration, some would rather have an autumnal wreath or a decorative pumpkin together with a friendly gonk/gnome type character sitting atop!

Whether you love Halloween or can't stand autumn in general, there is still beauty to admire in the changing colours of the season. My dear old dad didn't like autumn – to him it foretold of cold winters and reminded him of hard times in his youth. But even he would grudgingly agree that the colours were rather spectacular! My mum's view of autumn is the opposite; she loves the bright oranges and deep reds on display in the autumn, often pointing them out when we're driving, and I have to remind her I need my eyes on the road!

Now, us Brits are well known for politely discussing the weather, of course, but this time of year there is also a lot of 'the nights are drawing in' and 'isn't it getting dark early!' muttered as indeed the evenings are getting darker and the lights are going on much sooner. And all jokes aside, it can be a tricky time for some. But with electric lights and the expected pace of life and work, we forget that, for thousands of years, this was a time for slowing down, resting and restoring ready for the spring and the business of growing. So, it can feel like a slog to keep going through the darker months and therefore the celebrations on the calendar can act as milestones and things to look forward to in the dark of winter.

Halloween is the first of these milestones. Much excitement amongst the children as to what their costume will be this time, where they are going trick or treating and the fun that will be had along the way. Halloween was, traditionally in the church, the eve of All Saint's Day, which is celebrated on 1st November. It was a time of fasting and praying and preparation for the feast day ahead. Yet in modern culture it has become a time to celebrate witches and ghoulies and things that go 'bump' in the night: far darker than it was ever intended to be!

Therefore, we are holding our 'Shimmer and Shine' light party at All Saints Church, Worlingham again this year on 31st October. Whether you're out and about trick or treating or want an alternative, do pop along and join in the sparkly fun, warm up with a cup of hot chocolate and take away a sweet treat or two. And though the evening may be cold and dark, share in the light and love of Jesus! We look forward to seeing you there!

Wild Church

Wild Church got off to a flying start in August, looking at the story of the Good Samaritan and creating our own floral printed bandages/ bandanas!

September saw us exploring the parable of the talents, whilst celebrating the sparkle and shine of natural treasures such as water and the wonders of bubbles!

Join us at All Saints Church on the first Sunday of each month to explore creation in the wonderful setting of the churchyard (*and inside if it's really wet!*).

WORLINGHAM NEWS

News from Worlingham CEVC Primary School

We have enjoyed welcoming both new and existing families back to school for the start of the new academic year. The children have settled well into their new routines and have enjoyed seeing their friends.

Last week, our Year 6 pupils loved their residential visit to Kingswood in North Norfolk, where they took part in a range of outdoor activities and challenges. The children all behaved very well and had a super time. This is often a key memory that children frequently talk about when they reflect upon their time at our school. Thank you to all the staff who accompanied the children on this adventure and well done to the children for all that they achieved too.

Whilst Year 6 were out of school, the Year 5 pupils enjoyed another day working in our outdoor environmental area with some of our school staff and Vicky from Suffolk Wildlife Trust. We are continuing to look at how we can further improve our wildlife area.

This year, the overall theme of our Collective Worship will be 'Our Wild World' and this half term we will be thinking about 'Our Land'. This will also link with the 'Wild Church' sessions that are being planned at All Saints Church in Worlingham on the first Sunday of each month. It has been lovely to welcome the Ministry Team in to support us with this theme and this week we enjoyed hearing the Creation Story.

We are looking forward to another busy term with lots of exciting events.

Kind regards, Holly Marchand, Headteacher

- a free TV Licence if you are 75 or over
- Winter Fuel Payment of up to £300
